								<p> The first thing I noticed when I stepped out of the plane was the humidity. It was a relief, but also a little overwhelming. I had heard that Los Angeles was a hot city, and they were right. </p> <p> I had been invited to a party at a friend's house, and I was nervous. I didn't know anyone there, and I was a bit of an introvert. But when I arrived, I was greeted by a group of people who seemed to be having a great time. </p> <p> I was introduced to a group of people, and I was a bit shy at first. But as the night went on, I started to relax. I had a drink, and I was talking to some of the people. I was having a great time. </p> <p> I was talking to a girl named Sarah, and we were talking about our mutual friend, David. David was a really nice guy, and I was starting to like him. </p> <p> I was talking to Sarah and David, and they were talking about their plans for the future. They were both going to college, and they were excited about it. </p> <p> I was talking to Sarah and David, and they were talking about their plans for the future. They were both going to college, and they were excited about it. </p>
